SIR,

Subject: Federal Financial Integration - withdrawal of personnel belonging to the Mysore Civil Service from "Federal" Departments.

I am directed to invite reference to the correspondence ending with D.O.letter No.FFI-2(IV)/49 dated 22nd November 1949 from Sri V.Viswanathan on the above subject.

This Government have since had an opportunity of discussing this matter with the Auditor-General of India who had been on a visit to the State during the last few days and it is gathered from the discussions with him that the withdrawal of officers belonging to the Mysore Civil Service and the Mysore Civil Audit Department from Federal Departments should be gradual and that a wholesale withdrawal would result in much dislocation of work and is not desirable from many points of view.

The same view was expressed at the Chief Secretaries' Conference held at Delhi on the 24th and 25th February 1950.

Based on these discussions and the letter referred to above, the Government of Mysore have been proceeding on the assumption that none of their officers working in "Federal" Departments would revert to Mysore Government Service for at least a year and that after the period of one year those who wish to revert and those whom the Government of India can conveniently spare would be reverted gradually over a period of six months or longer in a planned way.

Meanwhile, ~~X~~ contrary to these expectations, in letter No.C.No.59(5)-Adm.9.7/50 dated 6-2-1950, the Ministry of Finance (Revenue Division), the Government of India have proposed that Sri N.Madhava Rao, the present Commissioner of Income-tax in Mysore may be withdrawn by the Government of Mysore on 1-4-1950.

This was a contingency for which the Mysore Government was not prepared. The Government of India would no doubt appreciate that this proposal is causing a great deal of difficulty to the Mysore Government in finding a suitable place for Sri N.Madhava Rao. This Government have already suggested in their letter No.11706/GB. dated 3-3-1950 that Sri N.Madhava Rao may be continued in the Income-tax Department as at present for at least a year more. The Mysore Government fully hope that this proposal would be accepted by the Government of India.

In order that the ruling to ~~xxx~~ be followed in regard to the withdrawal of officers may be clearly and definitely laid down that no doubts or difficulties may arise unexpectedly the Government of Mysore will be grateful for an assurance that the withdrawal of officers would not be necessary except in the manner indicated in Sri G.Swaminathan's letter, quoted above.

An immediate reply is requested.

Yours faithfully,

Sd.- K.Srinivasan.

Subject: Federal Financial Integration.

I am directed to state that already several letters have been written to the Government of India bringing to their notice the difficulty that may arise by the hurried withdrawal of officers of the Mysore Government serving in the integrating departments and requesting that for at least one year from the date of integration STATUS QUO may be maintained in this behalf. The Government of India have already given assurances to this effect and the Government of Mysore are proceeding on the assumption that they would not have to find places for any of their officers working in the "Federal" Departments for another year.

Meanwhile it is understood from Sri Choudhury, the Commissioner of Income-tax-designate for Mysore and Travancore-Chochin who has already arrived here and is engaged on preliminary work connected with the taking over of the Income-tax Department with effect from the 1st April 1950, that of the two Deputy Commissioners of Income-tax working in the headquarters office of the Income-tax Department in Bangalore, only one Deputy Commissioner will be taken over by the Centre. I am to say that this information, if true, is likely to cause a good deal of difficulty and embarrassment to this Government to find a suitable place for the officer to be reverted to the State service.

I am to express the hope that the Government of India, in accordance with the assurance already given by them, will see to it that none of the officers of the Mysore Civil Service working in the Federal

Departments is disturbed for at least a year.

An immediate confirmation is requested.

CONFIDENTIAL.

Dear Sri Srinivasan,

I understood from what you told me over the 'phone last Tuesday that the Government of India were in immediate need of more officers from Mysore whom they propose to take over permanently to the Indian Income-Tax Department from 1-4-1950. Accordingly, the undermentioned 10 officers of the Revenue Department now serving in the Income-Tax Department were addressed by me demi-officially to ascertain their willing ness or otherwise to go over permanently to the Indian Income-Tax Department. (A copy of my D.O.letter is enclosed for reference).

Name of Officer.	Present designation in the Income-Tax Department.
† 1. Sri M. Ramaswamiah, M.A., LL.B.,	Deputy Commissioner of Income-Tax and Sales-Tax.
† 2. Janab M.Abdul Azeem, B.A.,	-do-
3. Sri L.Kantharaj Urs, B.A.,	-do-
4. Sri M.Venkatagiri Setty, B.A.,	Income-Tax and Sales Tax Officer.
5. Janab M.Aminulmulk, M.A., B.Com.,	-do-
6. " Syed Ghouse Mohidin, B.A.,	-do-
7. Sri H.C.Jambukeswariah, B.A.,	-do-
8. Sri G.Narasimhaiya, M.Sc.,	-do-
9. Sri G.N.Puttanna, B.A.,	-do-
10. Sri V.S.Jayacharya, B.A., B.L.,	-do-.

2. There has been no response so far from Sl.No.(9). While Sl.Nos.(1) and (2) have replied in the negative, Sl.No.(3),(4) (5) and (8) have given qualified consent and the willingness expressed by Sl.No.(6) is conditional upon his being retained in Mysore State for some time to come.

3. Thus, out of the officers addressed by me, only two named below have expressed their willingness to take up service

permanently under the Indian Income-Tax Department on the terms and conditions proposed in my D.O.letter.

1. Sri H.C.Jambukeswariah, B.A.,
2. Sri V.S.Jayacharya, B.A., B.L.,

A representation was also given to me in the same context by Janab Mir Sherifuddin, Income-Tax and Sales-Tax Officer, K.G.F. for being transferred to the Indian Income-Tax Department. The replies received from the several officers as well as the representation of Janab Mir Sherifuddin are enclosed in original for consideration.

4. Incidentally, I gather from Sri H.C.Choudhury, Special Officer,(Income-Tax), Government of India that 13 Income-Tax Officers will be required in Mysore in the new set-up after 1-4-1950 against 9 to be surrendered under federal financial integration. It is therefore for consideration if the officers now to be selected for permanent service in the Indian Income-Tax Department may not be retained in Mysore against the additional posts to be created after 1-4-1950. If the answer is in the affirmative, the case of Sl.No.6 Janab Syed Ghouse Mohidin may perhaps be taken into consideration also. The decision arrived at in the recent Conference of Chief Secretaries held at New Delhi also makes it incumbent that the personnel required for service in federal departments in the integrating States should, as far as possible, be recruited from among those available in the State. At the same time, our officers to be taken over by the Central Government cannot very well be expected to serve outside the State immediately until their scales of pay and emoluments are assimilated to those of the Indian Income-Tax Department.

Yours sincerely,

N. Madhava Rao

Copy of letter No. C.257/49-50 dated 14-3-1950 from the Commissioner of Incometax and Sales Tax in Mysore, Bangalore.

The Government of India is understood to be immediately in need of some more Incometax Officers, over and above the number already selected and agreed to be handed over to the Centre from 1-4-1950. It may therefore become necessary to make a selection from among the Deputy Commissioners and Assistant Commissioners now serving in the Mysore Incometax Department who may be willing to go over to the Indian Incometax Department permanently from 1-4-1950 upon terms not less advantageous than those enjoyed by them with liability to serve in any part of India. This means that the officers so selected are guaranteed immediately their pay in the existing Mysore scales with, however, the prospect of their being fixed up in suitable Indian scales of pay in due course.

You are requested to intimate by return of post your willingness or otherwise to take up service permanently under the Government of India on the terms and conditions mentioned above.

Dear Sir,

I am very thank-ful for your D.O. letter No.C.257/49-50 dated the 14th instant. By accepting the terms and conditions mentioned therein, the liability to serve in any part of India starts immediately, but the absorption in suitable Indian Scales of Pay is only held in propect. That would mean that I may be required to serve out of Mysore in the near future, with the existing Mysore Scales of Pay. This is very disadvantageous. If I am ~~absorbed~~ taken over as a First grade Income-Tax Officer with the Indian Scale of pay, I am willing to go over to Indian Income-Tax Department. This is without prejudice to the chances that I may have for being absorbed into the Indian Administrative Service.
